MEETING	Full Council
MEETING DATE	9th September 2026
SUBJECT	Northaw Village Green – Water tanks warning notices
AGENDA ITEM NO.	26/27-37b
REPORT BY	Sally Griffiths, Office Manager, Northaw and Cuffley Parish Council

01 BACKGROUND:

Following the unfortunate fire at Judges Restaurant in August, and safety concerns arising from the fire brigade having to park its control vehicle on the Village Green, it has been requested that the Council revisit its decision of September 2025.

At that time, the Council decided not to install permanent signage on the Village Green warning of the existence of the underground water tanks.

In light of the circumstances surrounding the recent fire, it was proposed that the matter be placed on the agenda for the next Council meeting, so that Members could review the previous decision and consider whether any further action would now be felt appropriate.

02 PROPOSAL:

If further action is felt to be required, suggestions are requested for the following:

- type,
- sizing,
- location/number of signs
- and proposed wording for signage

To allow officers to provide suitable quotations for a future report to be brought back to Council.

03 MOTION:

That the Council requests officers to investigate their proposed options for the provision of warning signs at Northaw Village Green, and to bring a report setting out the options and recommendations to a future meeting of the Council for consideration.
