Northaw and Cuffley Parish Council
Completion of the limited assurance review for the year ended 31 March 2026

Dear Mrs Peters

We have completed our review of the Annual Governance & Accountability Return (AGAR) for Northaw and Cuffley Parish Council for the year ended 31 March 2026. On 28 September 2026, we issued an 'interim' report in respect of our review of Northaw and Cuffley Parish Council's AGAR for the year ended 31 March 2026. We explained the reasons that we were unable to certify completion of the review at that time. We are now able to certify completion of the review. The final external auditor report and certificate is included for your attention as another attachment to the email containing this letter, along with a copy of Sections 1 and 2, on which our report is based, and a copy of our 'interim' Section 3 report. The smaller authority must publish these documents immediately and at the next meeting consider the final external auditor report and decide what, if any, action is required.

Action you are required to take at the conclusion of the review

The Accounts and Audit Regulations 2015 (SI 2015/234) set out what you must do at the conclusion of the review. In summary, on receipt of our final external auditor report and certificate you are required to:

- Prepare a "Notice of conclusion of audit" which details the rights of inspection, in line with the statutory requirements. We attach a pro forma notice you may use for this purpose (a Word version is available on request).
- Publish the "Notice" along with the AGAR (Sections 1, 2 & 3) and our attached final report and certificate before 30 September 2026 (or as soon as possible where this date has passed), which must include publication on the smaller authority's website. (Please note that when the statute and regulations were amended in 2014 and 2015, they did not include a requirement for the length of time that for which the Notice must be published. There is no requirement for the Notice to be publicly accessible for 5 years, as there is for the AGAR and the external
